Hi Dante,

3-4pm Thursday, 5/12 works for me.

I have no availability next week; in the field in remote areas all week.

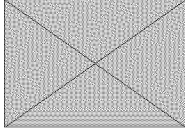

Others?

Thanks,

All,

Apologies but EPA needs to reschedule this week's monthly call due to a conflict that arose. Is later Thursday afternoon, like 3p or 4p a possibility for you guys? If not, how about next Tuesday or Wednesday? Thank you.
